

## Lotus

Here is our national  
flower-lotus.  
Colour it beautifully.

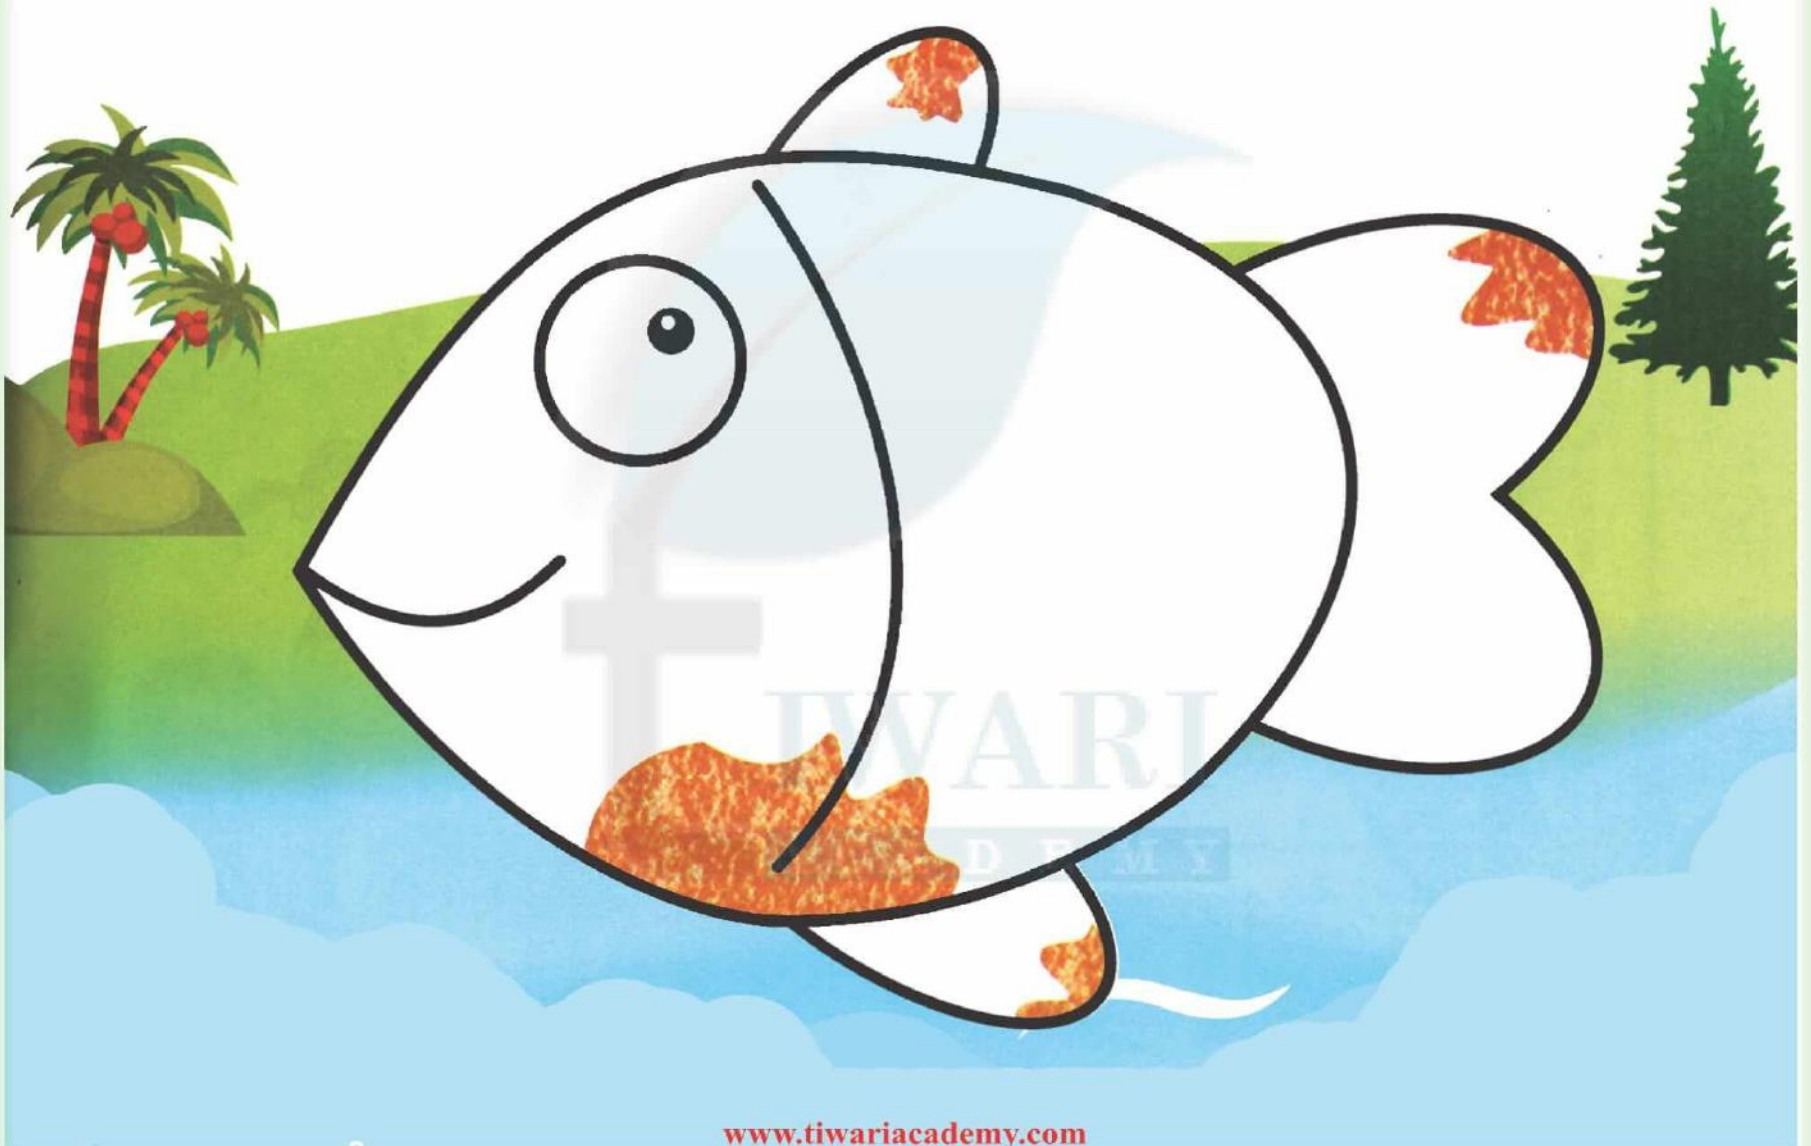

**Hut** Chintu and Sheena are going for outing.  
Make their hut colourful to surprise  
them when they come back.

## Swimming Fish

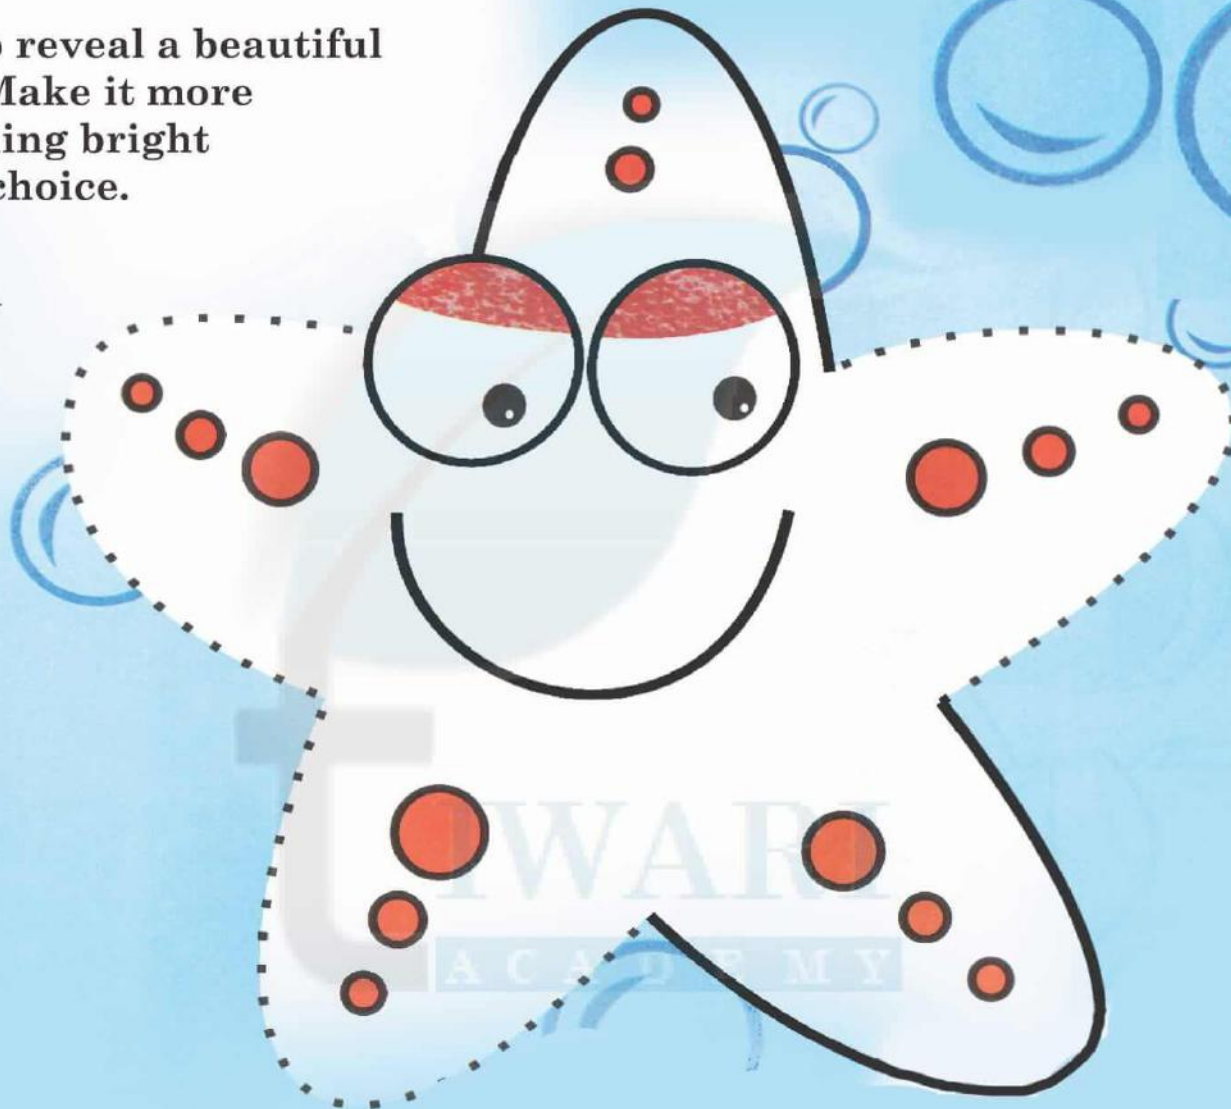

Fish swimming in the water looks wonderful.  
Colour the fish to add beauty and brightness.

## Star Fish

Join the dots to reveal a beautiful water animal. Make it more beautiful by filling bright colour of your choice.

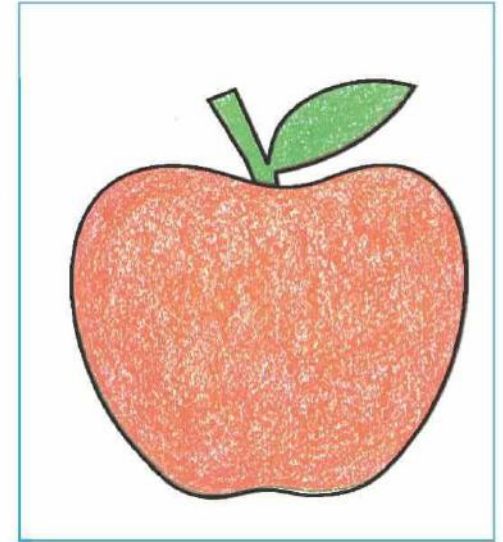

# Brinjal

Many vegetables are of green colour but I am purple.  
Guess who am I?

## My Apple

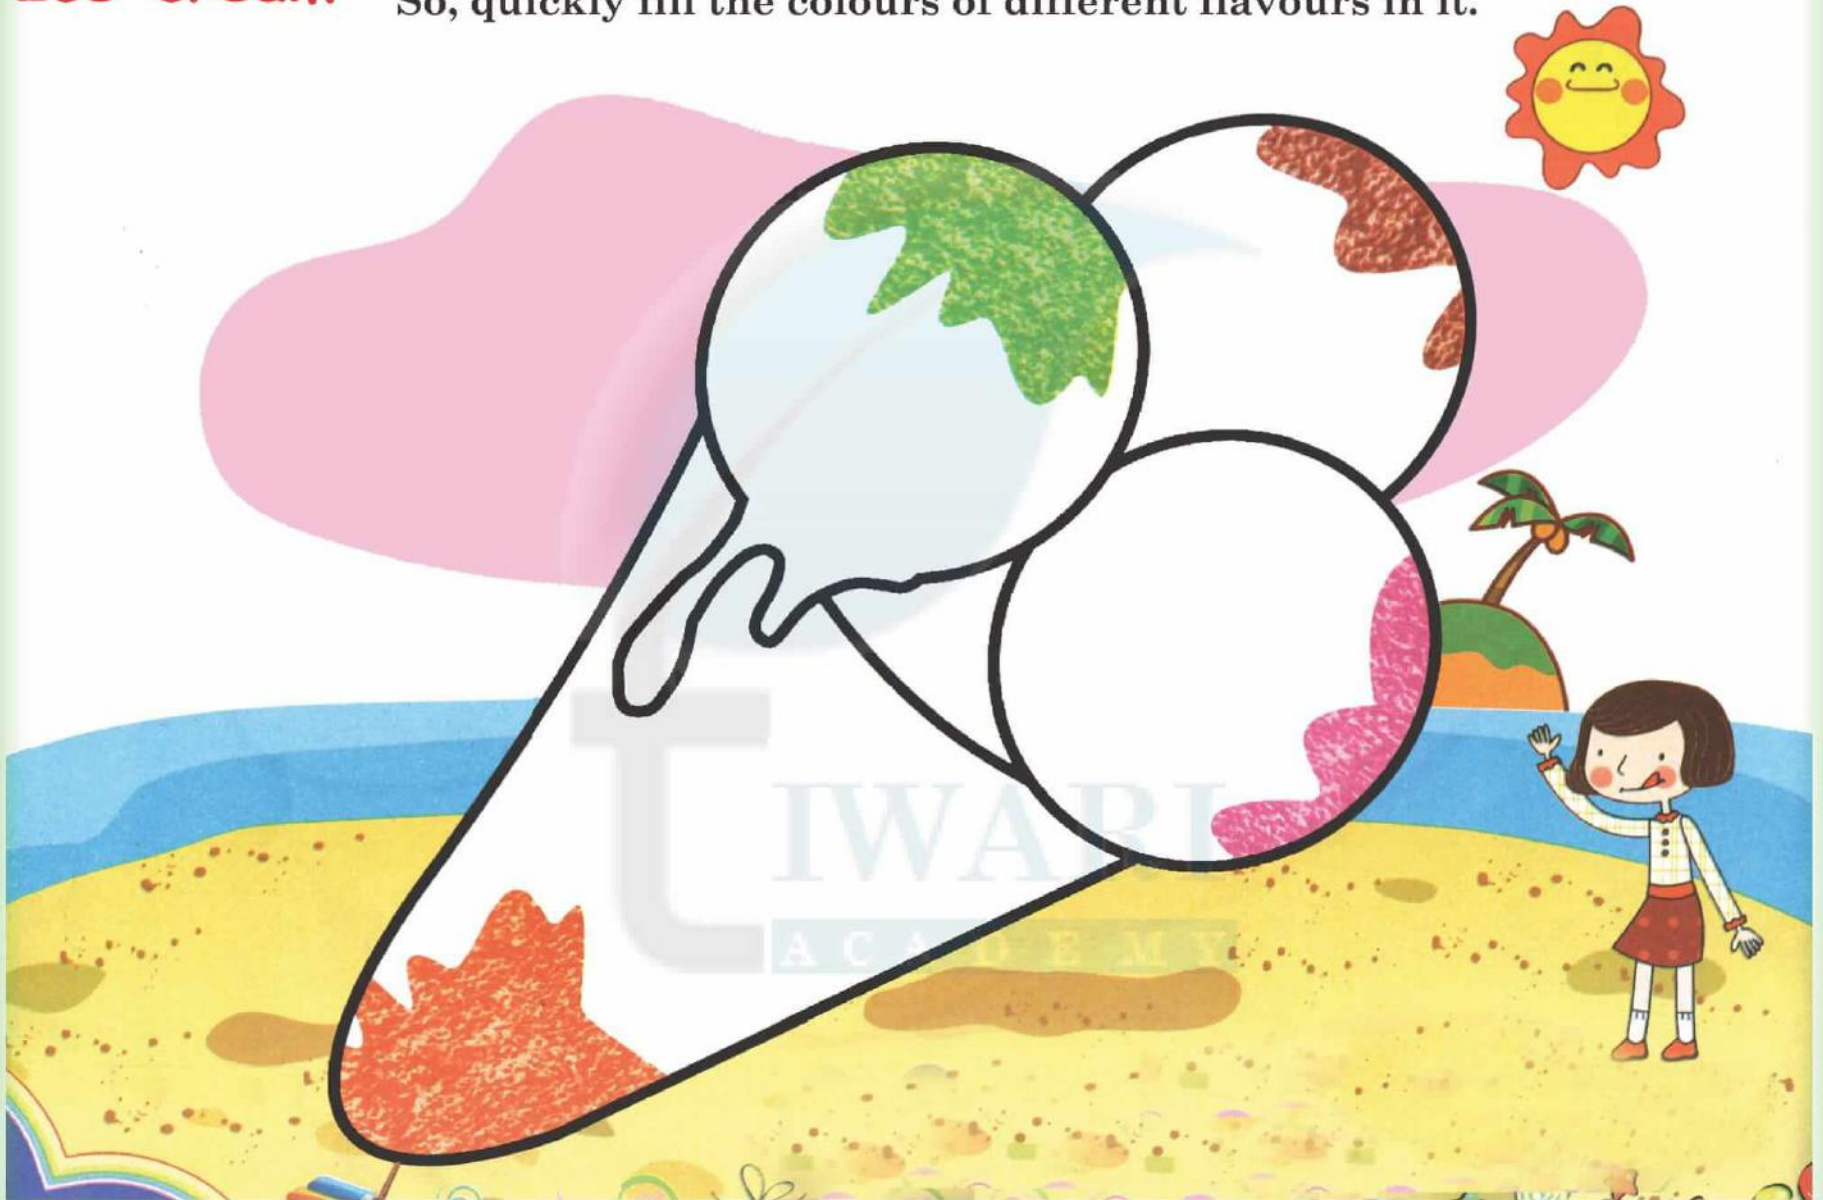

I eat an apple daily. Colour my apple with red colour to make it more tasty.

## Ice-cream

Oh! It's so hot today. Zoya wants to eat this ice-cream.  
So, quickly fill the colours of different flavours in it.

**Bear**

I am a bear, come here dear!  
Colour my hair, without fear.

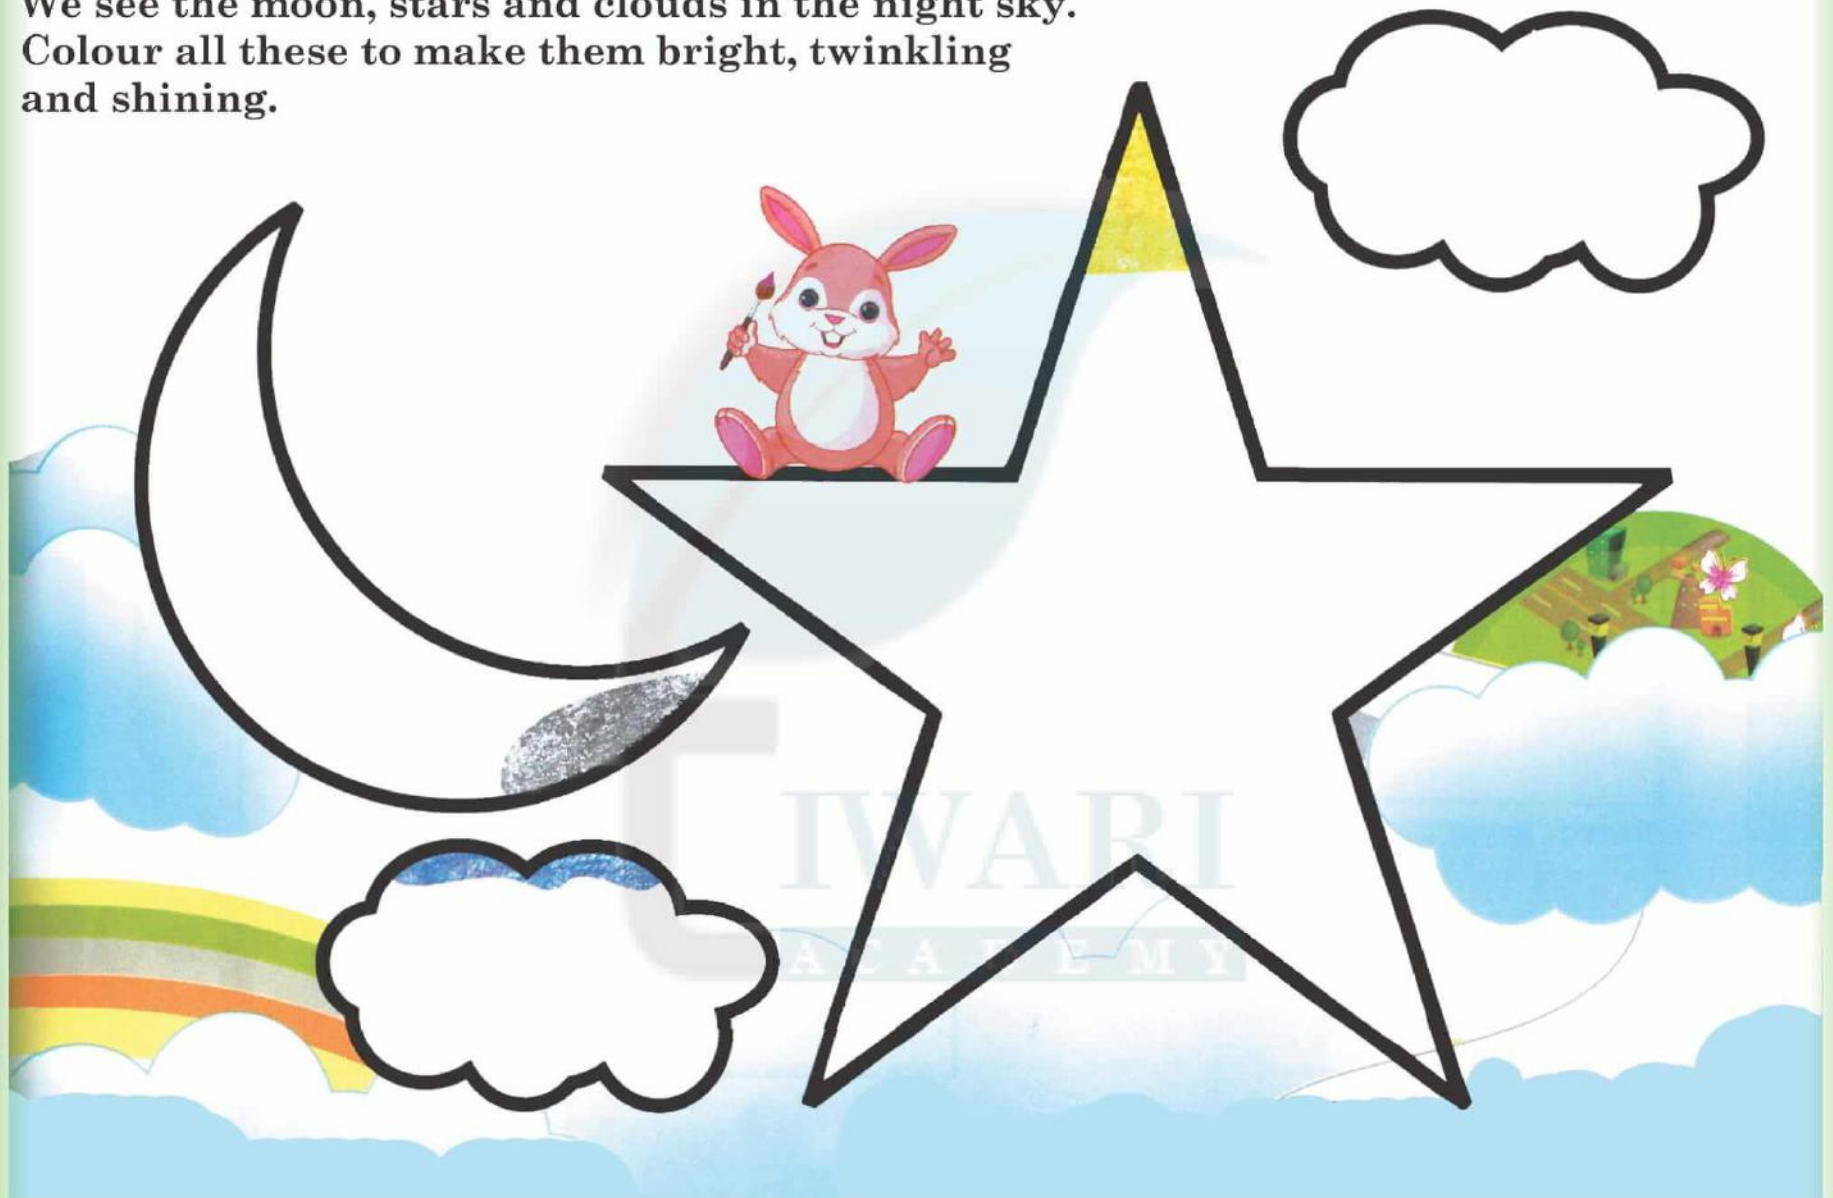

**Dog** Look at the sample picture and colour the given picture beautifully.

# Moon, Stars and Clouds

We see the moon, stars and clouds in the night sky.  
Colour all these to make them bright, twinkling  
and shining.

**Owl**

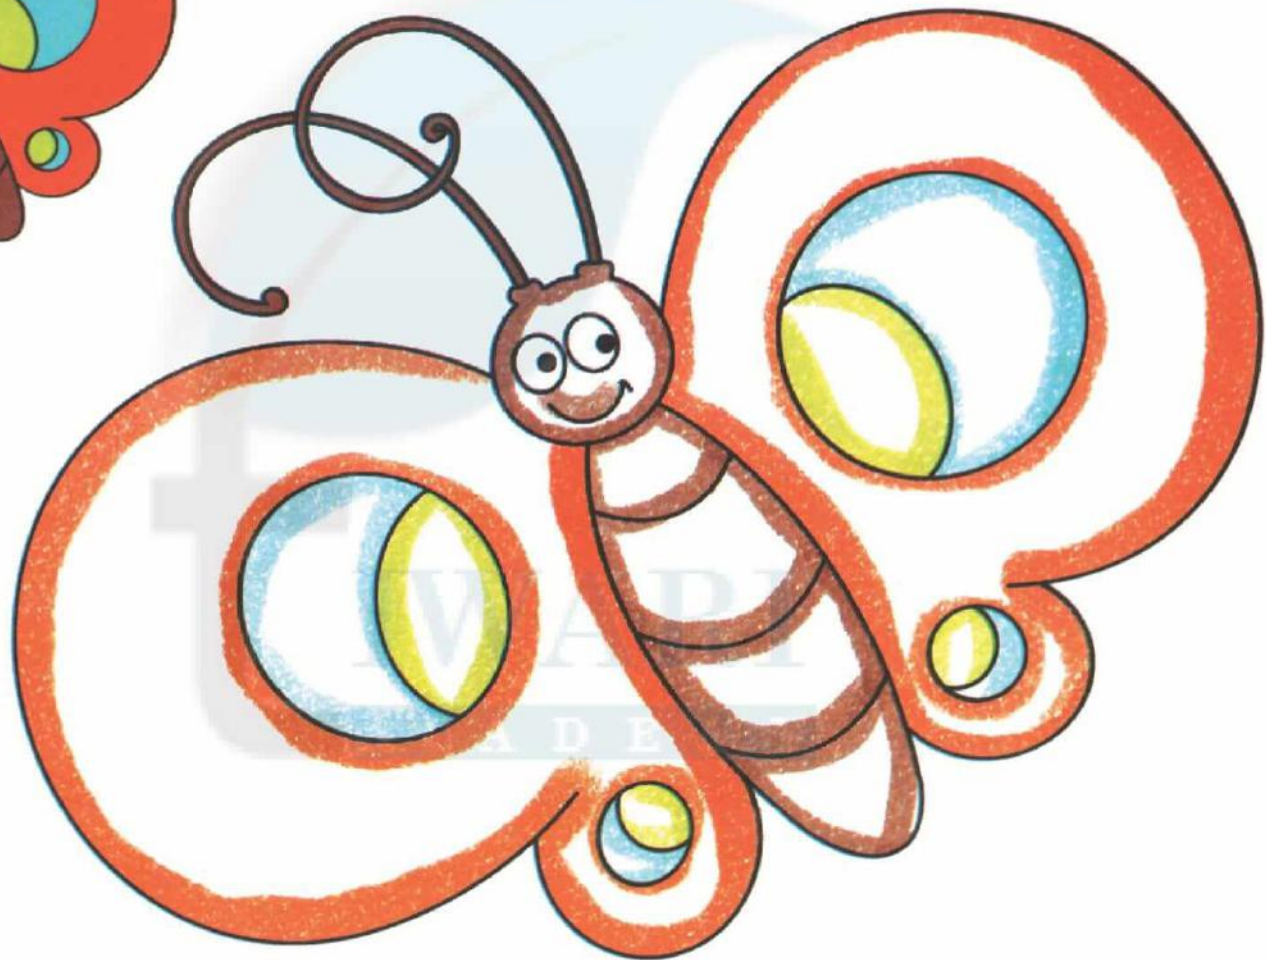

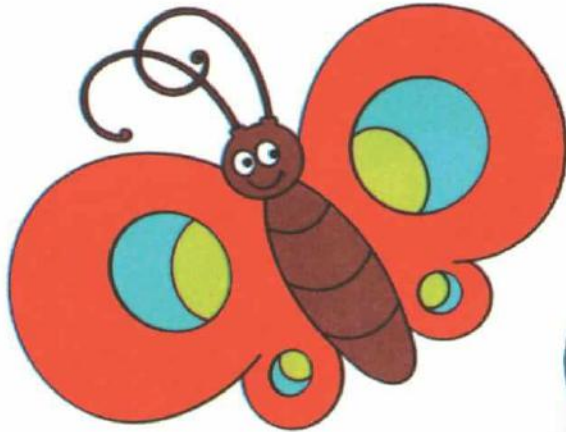

Little Pinku wants to play with the owl.  
Colour the owl fast so that Pinku can play with him.

## Butterfly

Colour the butterfly according to the reference given.

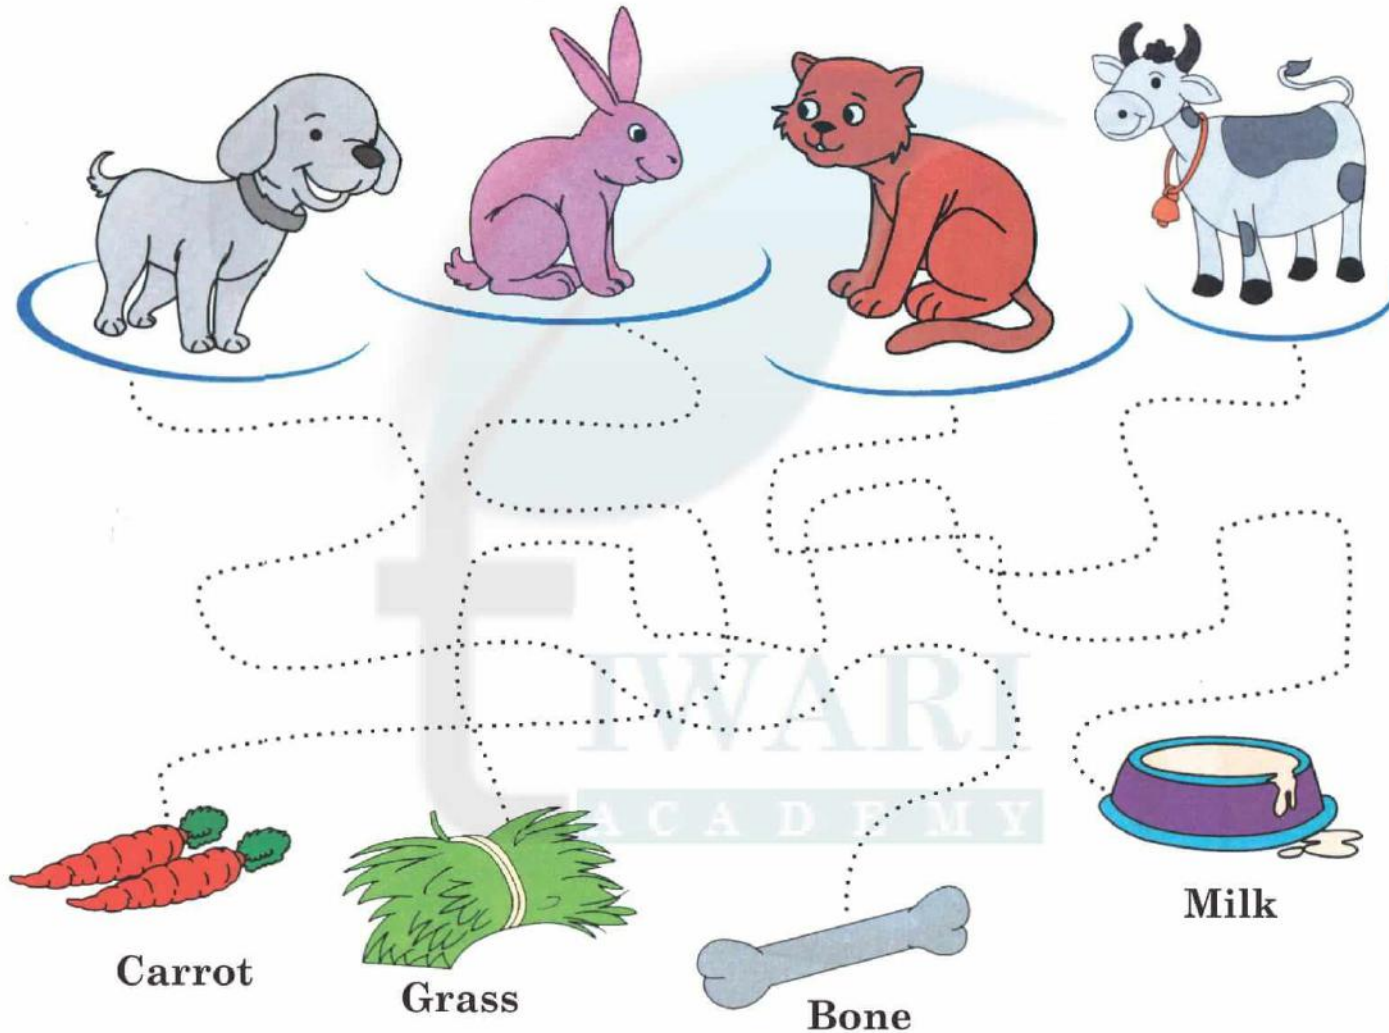

# Reach the Food

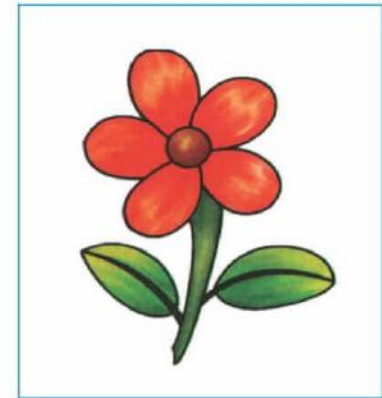

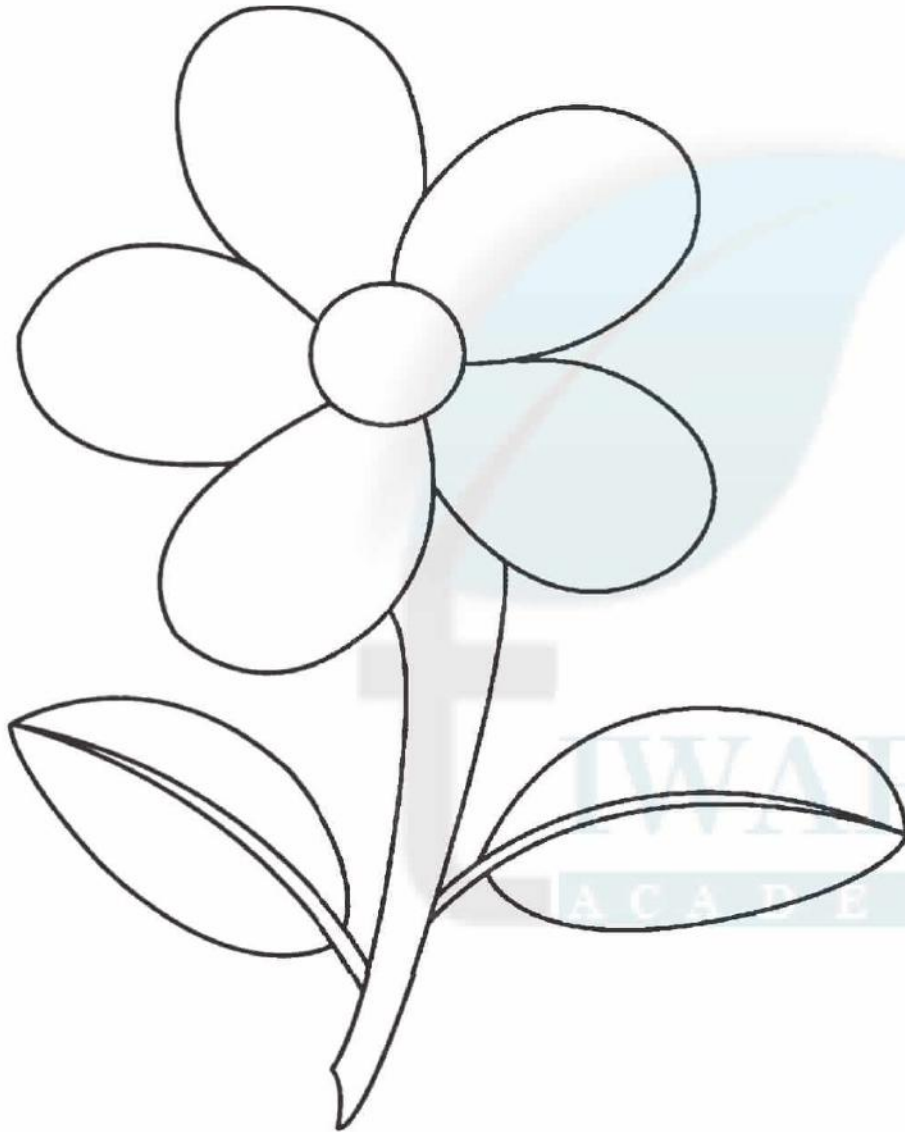

Animals are hungry.

They are confused to spot their food.

Trace over the dotted lines with a pencil to reach their food.

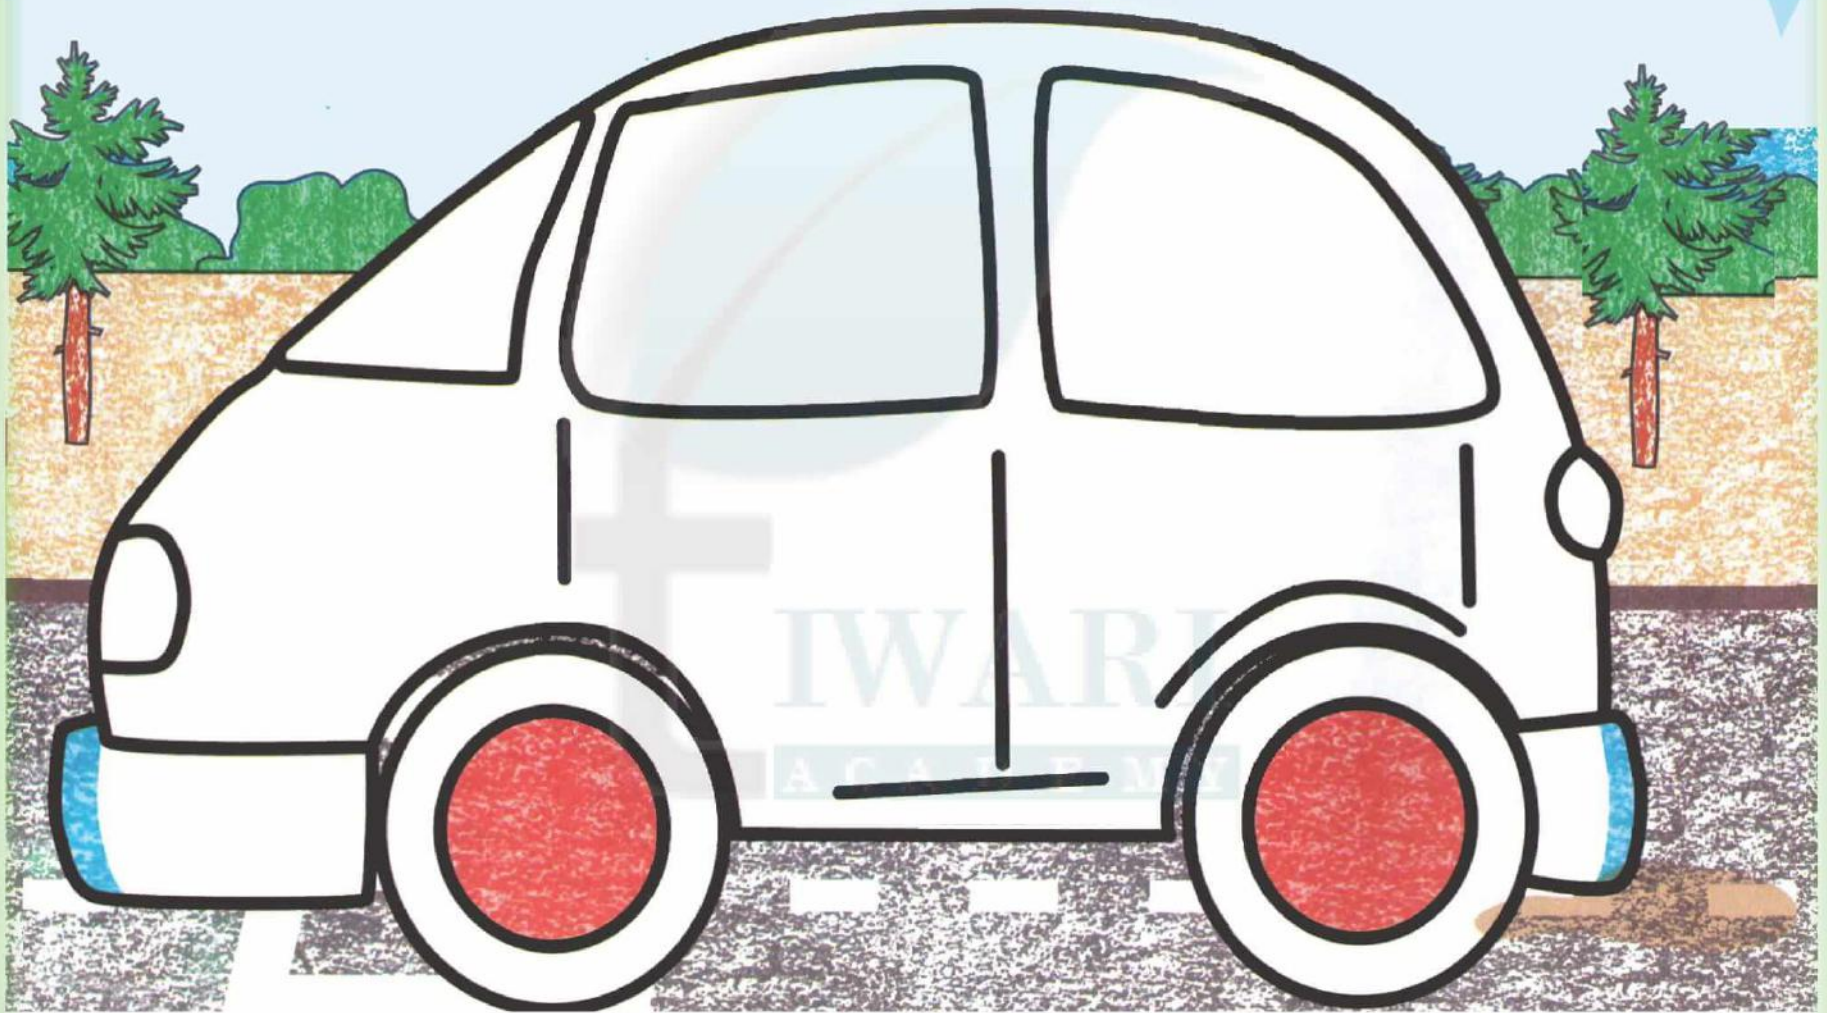

**Flower** Look at the sample picture and colour the given picture beautifully.

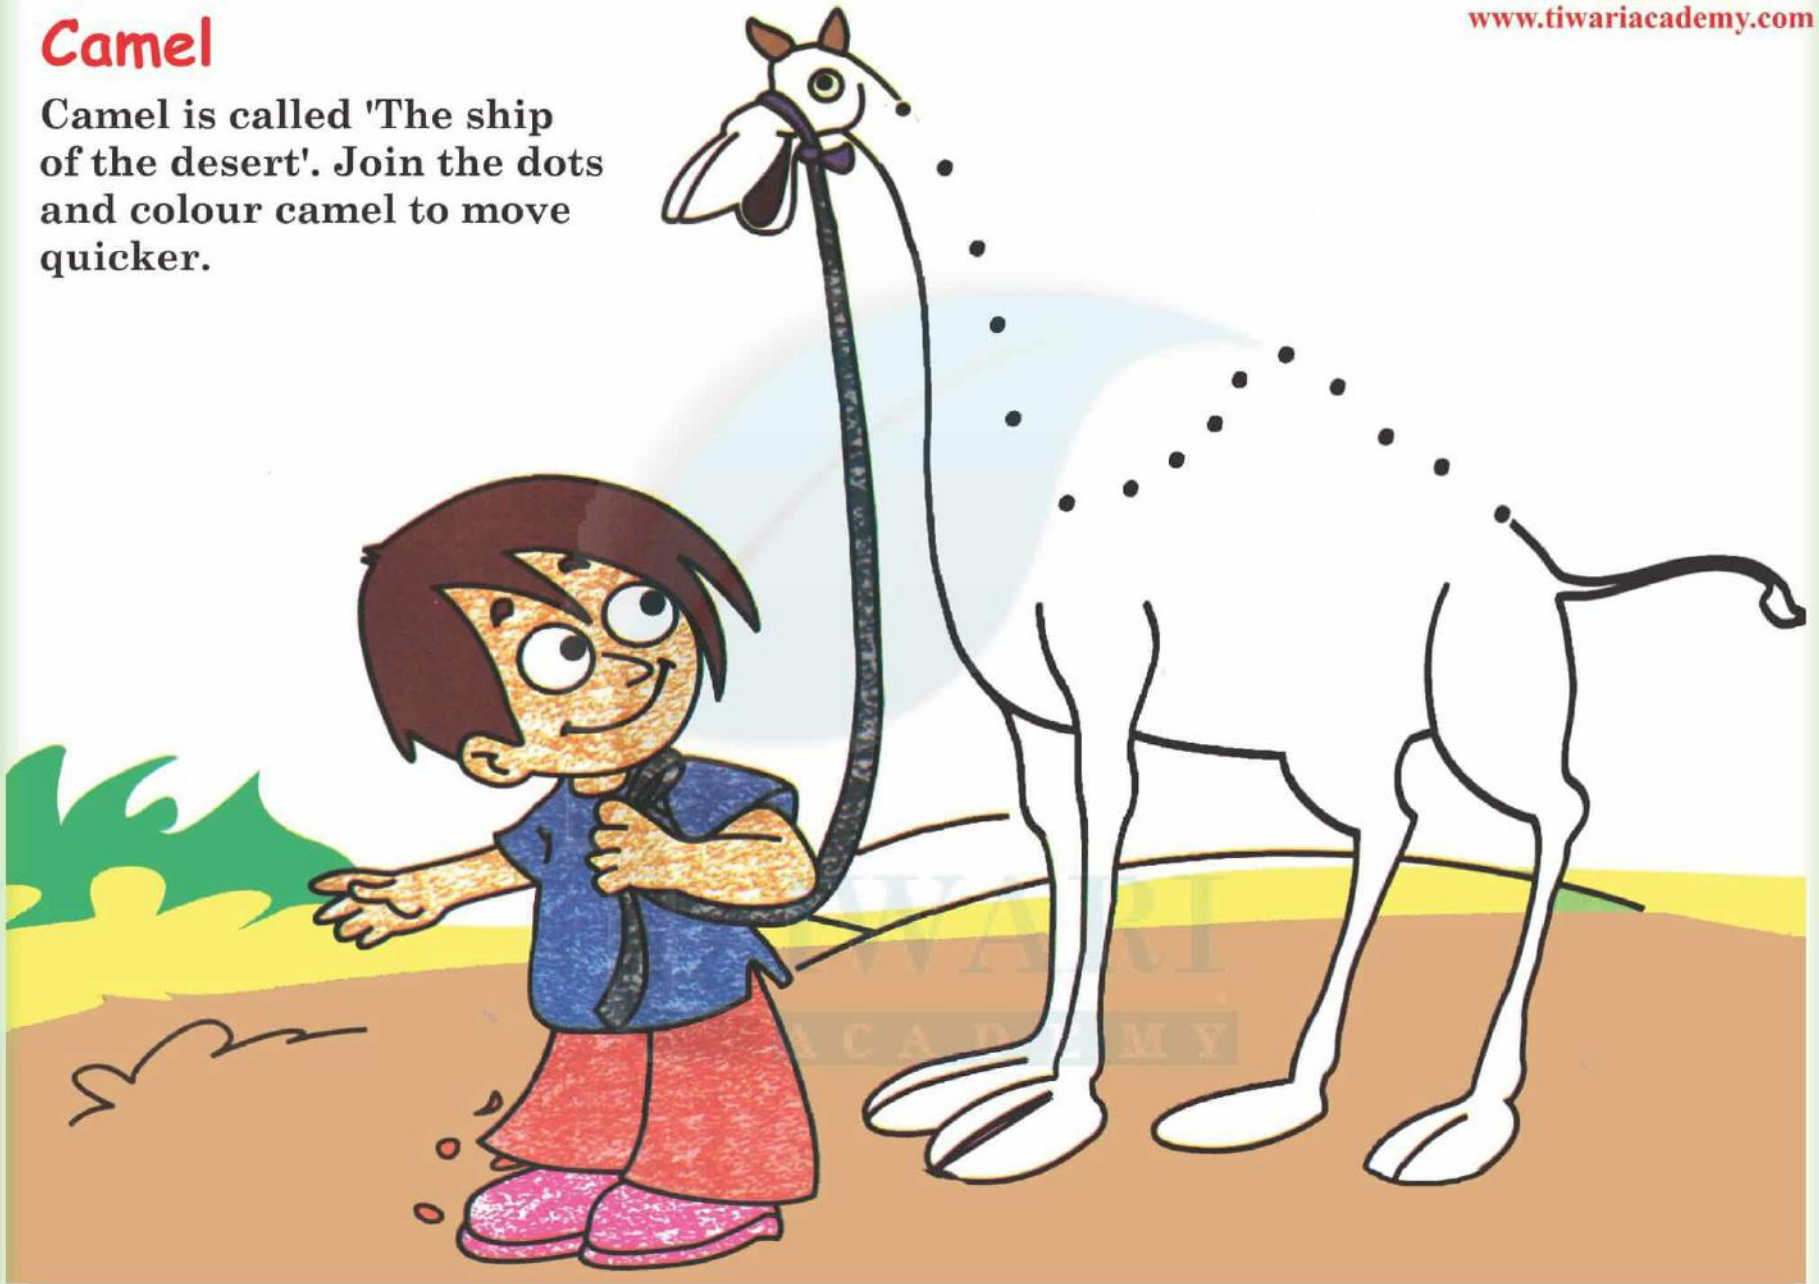

# Car

Colour the small circle and use glaze paper to complete the car as shown.

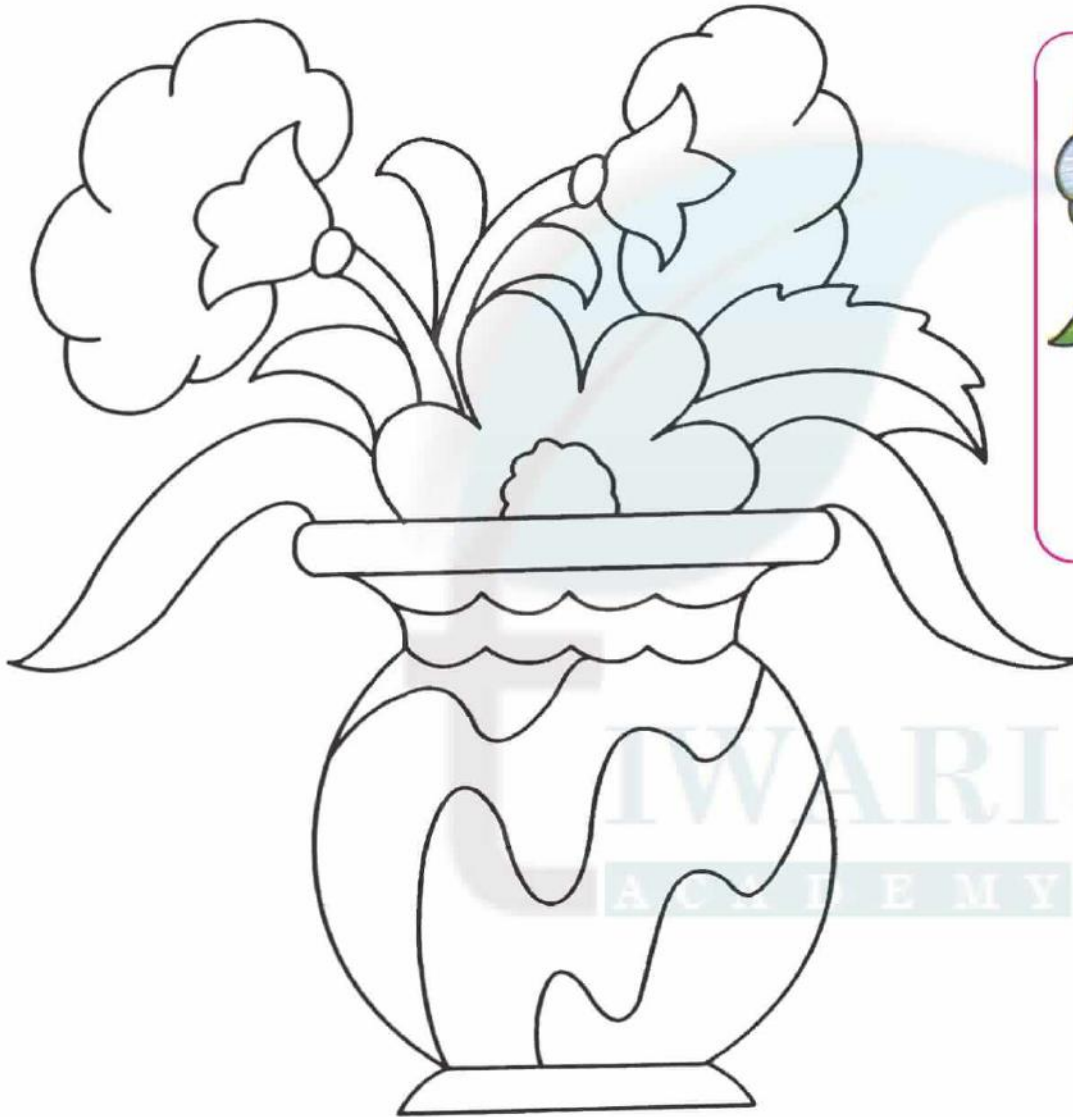

## Camel

Camel is called 'The ship of the desert'. Join the dots and colour camel to move quicker.

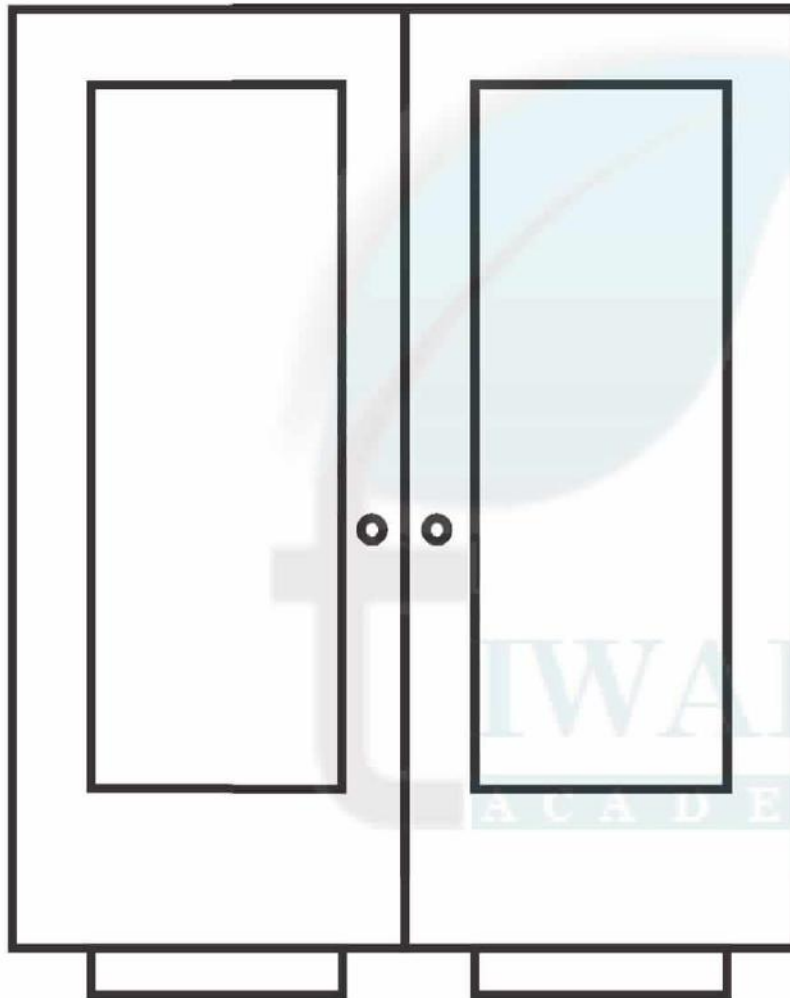

**Flower vase** Look at the sample picture and colour the given picture beautifully.

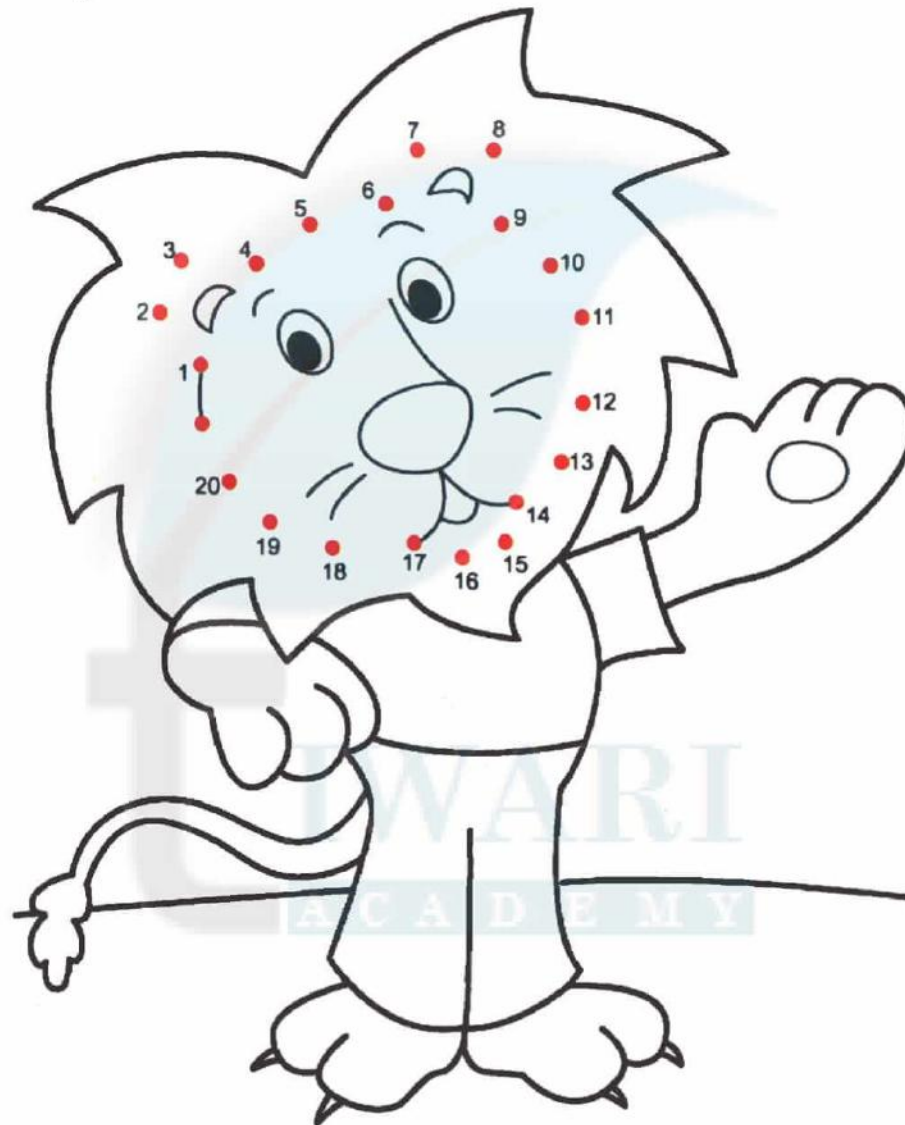

**Door** Here is a pretty door. It keeps our house safe from the sun, the rain, the cold and also from thief. Fill colours with wax crayons to make it attractive.

# Lion

Join the dots from 1 to 20 to complete the lion's face.  
Also colour the picture.

## Tree

Colour the tree as indicated.

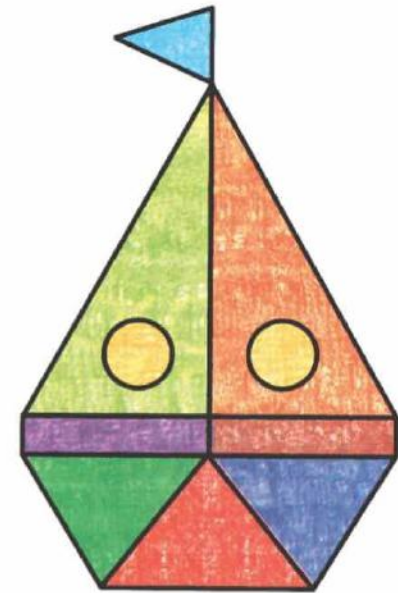

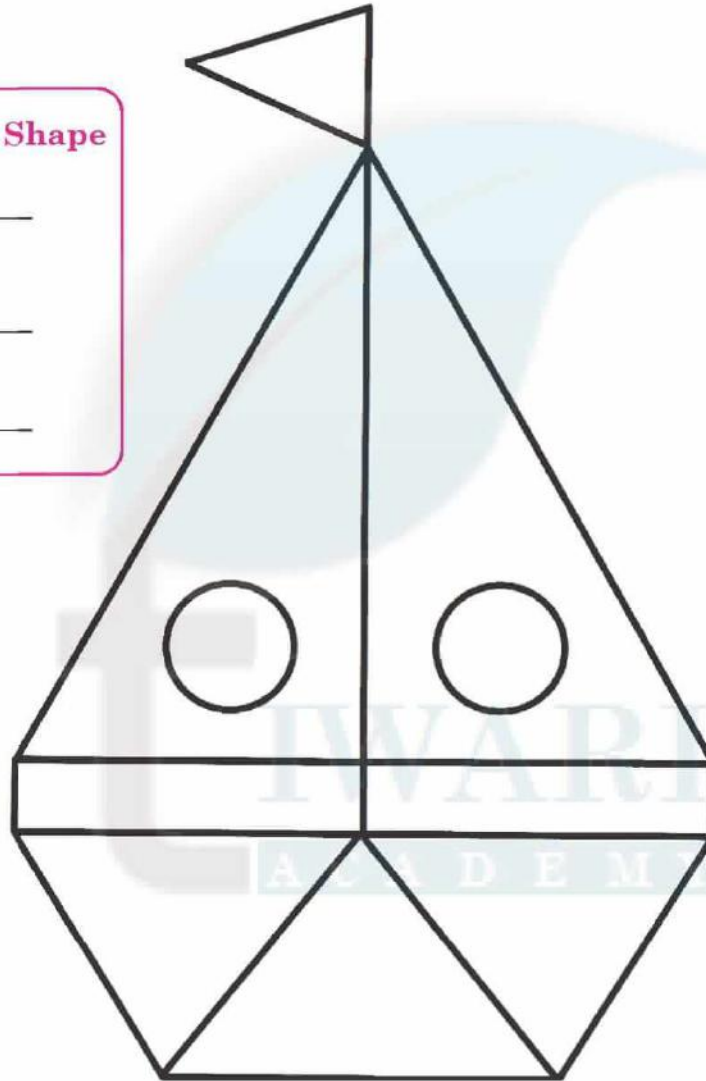

# Ship

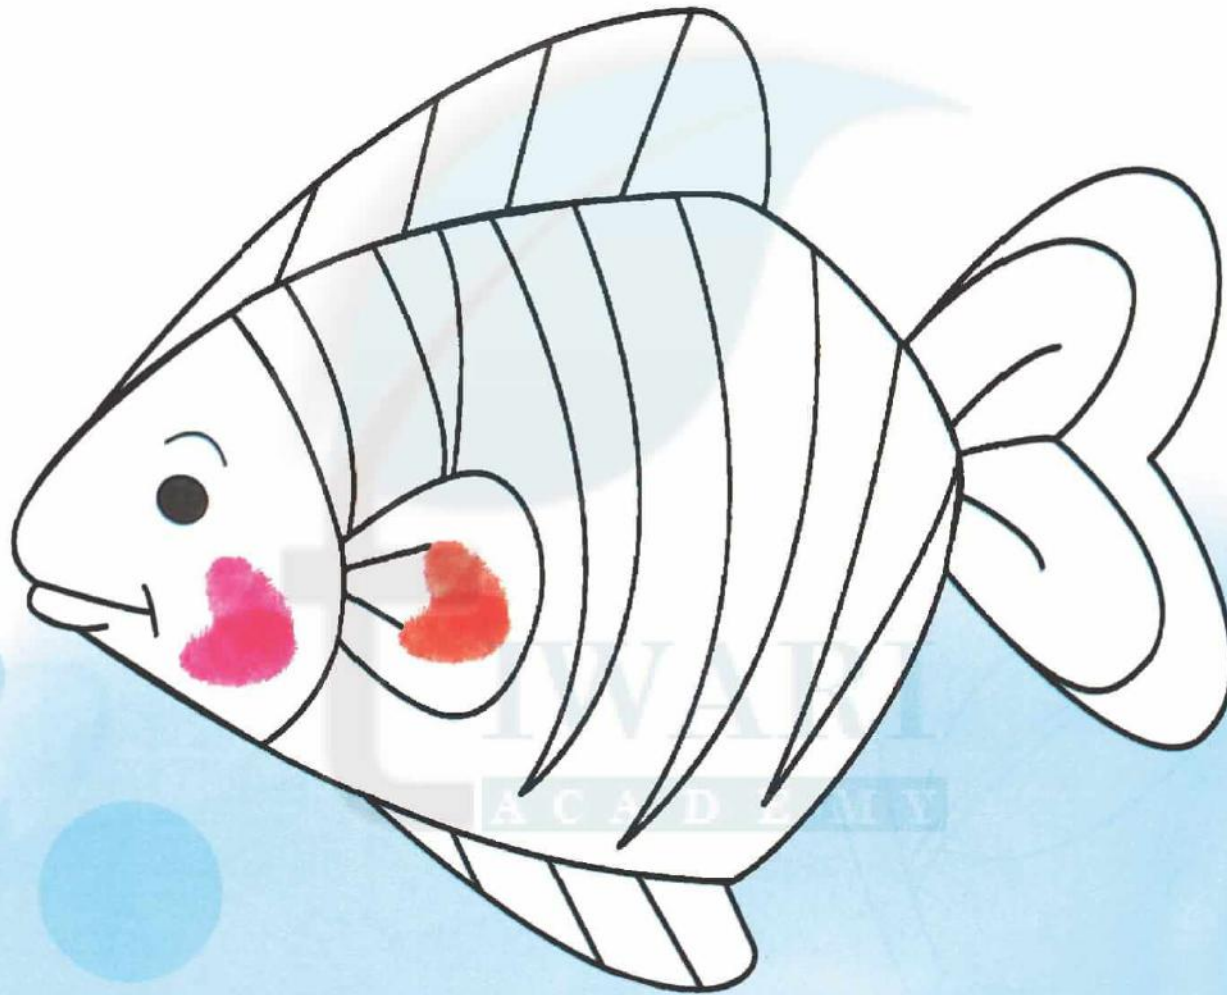

Colour the ship as shown in the sample picture.

Types of Shape	No. of Shape
