(Class – IX)

Exercise 5.1

Write the correct answer in each of the following:

Question 16:

In Ancient India, Altars with combination of shapes like rectangles, triangles and trapeziums were used for:

- (A) Public worship (B) Household rituals
(C) Both A and B (D) None of A, B, C

Answer 16:

- (A) Public worship

In Ancient India, Square and circular altars were used for household rituals, while altars, whose shapes were combinations of rectangles, triangles and trapeziums, were required for public worship.
